"When I Must Leave You"

When I must leave you
For a little while-
Please do not grieve
And shed wild tears
And hug your sorrow
Through the years,

But start out bravely
With a gallant smile;
And for my name
Live on and do
All the things the same,

Feed not your loneliness
On empty days,
But fill each waking hour
In useful ways,

Reach out your hand
In comfort and in cheer
And I in turn will comfort
you
And hold you near;

And never, never
Be afraid to die
For I am waiting for you in
the sky!

Note of Appreciation

-In everything both great and small we see the hand of God through the various expressions of love and sympathy you have extended to us during this time. We also wish to send blessing to all of the caregivers who have given their time and energy in caring for our Lisa. Thank you and may God continue to bless each of you.....
